

Deb Quick of Adventure North Tours Inc of Quesnel becomes a **Flight Centre Associate** – this partnership with a leading retailer of travel products and services will enable Deb and Adventure North to offer travel and travel related services to the residents of Northern British Columbia!

Deb Quick has been involved in the Tourism and Travel Industry for over 20 years, in 2002 she used her tourism experience to assist in the creation, development and management of Adventure North Tours Inc. In March, 2006, Deb became the President and sole owner.

Adventure North offers escorted tours to residents throughout Northern British Columbia. In a short while, Adventure North earned a reputation of excellence. Deb's focus was quality, service, and affordability. Before long, Adventure North saw over 85% in repeat clients.

But Deb continued to look for a way to expand Adventure North to meet the complete travel needs of all her clients. Meanwhile, Deb watched the growth of the Flight Centre and often referred her clients to them, aware of their commitment to quality and service that she was noted for.

In July, Deb responded to a request for home-based travel agents to join the ranks of Flight Centre, a trusted and respected brand. Flight Centre wanted to find Associates who were widely traveled, enthusiastic about travel and committed to providing quality service and satisfaction. Deb Quick of Adventure North Tours Inc. of Quesnel was the perfect match.

Flight Centre is a leading retailer of travel products and services for the leisure and corporate markets. As an independent consultant, Deb Quick and Adventure North will be able to sell and promote travel and travel related services on behalf of Flight Centre - organize flights, hotels, all-inclusive holidays world-wide, cruises, car rentals, rail passes, coach tours, visas and travel insurance.

Deb knows that travel opportunities today are fantastic, but the research can be overwhelming, Deb can do the research and find the best options out there!
